Travel around the world by plane – and to your destination in Austria by train

With RAIL&FLY AUSTRIA, you can now book the rail journey to your holiday destination at the same time as booking a flight to Vienna. That means you can get off the aircraft at Vienna Airport and travel by train to all ÖBB stations and stops throughout Austria!

The new RAIL&FLY offer can be booked directly via the sales channels of participating airlines.

How to get your RAIL&FLY ticket

When booking combined flight/rail travel package, you need to check in for the rail section before boarding the train. You can check-in up to 72 hours before your train departs. You can do this online at www.accesrail.com/checkin.

Once you've done that, you can print out the rail boarding pass or show it to the conductor from your mobile device. Alternatively, for a service charge of € 3.50 per person, you also have the option of checking in at an ÖBB Travel Centre – at Vienna Airport, for example. In this case seat reservation will be included. The rail boarding pass is valid not just on the days your flight arrives and departs, but for one day after arrival and one day before your flight departure, ensuring you enjoy a stress-free journey. For further details of RAIL&FLY AUSTRIA, go to www.oebb.at/flughafen or www.accesrail.com/products
