

The map illustrates the extensive public transport network of Vienna, Austria. It features the U-Bahn (subway) and S-Bahn (regional train) lines, along with the Vienna Airport Bus (VAB) routes. The VAB routes are color-coded: red for the route to Linz and Salzburg, and blue for the route to Graz and Klagenfurt. The map also shows the Danube River and various districts of Vienna. An inset photo shows two young women sitting on a train, looking at their phones.

CAT City Airport Train: 16 minutes non-stop, City Check-In with bag drop-off

With a journey time of only 16 minutes from Vienna Airport to the city centre (Wien Mitte), the City Airport Train is the fastest way to travel. The CAT operates between Wien Mitte station and Vienna Airport every thirty minutes from 05:37 to 23:37 (last departure from Vienna Airport). In addition, passengers can already check in their baggage at the City Air Terminal at the railway station Wien Mitte and get their boarding passes. The City Air Terminal offers the services of an international airport terminal already in the city centre. This service is available between 24h and 75 minutes before departure during operating hours.

PRM accessibility is possible thanks to the ground-level entrances - the CAT staff is happy to be of assistance.
