To good connections

Dear passengers,

wherever your journey may take you - we will do everything we can to ensure that you reach your destination safely and happily.

The provisions of this guide apply when you are travelling on the night train operated by ÖBB-Personenverkehr AG in Germany (domestic route).

For cross-border travel on an ÖBB-Personenverkehr AG night train, the international conditions of carriage and fare conditions SCIC-NT and GCC-CIV/PRR apply exclusively. Further information on this can be found at <https://www.oebb.at/tarife> (international rates).

Your rights and obligations arising from the contract of carriage for trips within Germany are set out in the Conditions of Carriage in Section A. [→ 8].

Section B. [→ 22] provides information about the tickets we offer, as well as the according terms of use.

In Section C. [→ 29], “Customer groups”, you can read all about possible discounts on ticket prices.

Section D. [→ 31] provides information on data protection regulations and the general terms and conditions for the online purchase of tickets via tickets.oebb.at and the ÖBB app.

In Section E. [→ 32], you will find an overview of the fees, the night trains operated by ÖBB-Personenverkehr AG in Germany, as well as the price table.

In order to ensure that this guide is easy to read and understand, we use the terms “customer” and “employee” for both genders. If we mention “ÖBB” or “us” in the rates, we are always referring to ÖBB-Personenverkehr AG.

We hope you have a pleasant journey and will be happy to answer any questions you may have at our service number +43 (0)5-1717-3. On the Internet, you will find information on travelling with ÖBB at [oebb.at](https://www.oebb.at) as well as at [nightjet.com](https://www.nightjet.com).

Announcement from 07/03/2022

Item	Revision
A.3.1.2.4. [→ 9]	Amendment regarding nighttime train journeys

The aforementioned changes were approved by the Federal Ministry of Transport and Digital Infrastructure on 03/03/2022 in accordance with Section 12 (3) AEG.

A. Conditions of Carriage

A.1. Definitions

A.1.1. Infant

A.1.1.1.1. Infants are passengers up to the age of one day before their 6th birthday.

A.1.2. Child

A.1.2.1.1. Children are passengers aged 6 to 14 – from their 6th birthday until one day before their 15th birthday.

A.1.3. Adults

A.1.3.1.1. Adults are passengers from their 15th birthday onwards.

A.1.4. Night trains

A.1.4.1.1. Our train category for night trains is the Nightjet (NJ).

A.1.5. Passengers with limited mobility

A.1.5.1.1. Passengers with limited mobility are passengers whose mobility while travelling by train is restricted and who therefore need our support or an adaptation of our services to their needs.

A.2. Area of validity

A.2.1.1.1. These Conditions of Carriage govern the conclusion and implementation of contracts of carriage between you as passengers and us. They apply to the carriage of passengers, their animals, luggage and bicycles on our night trains on domestic routes within Germany, as per Section E.2. [→ 33].

A.2.1.1.2. For cross-border trips on the ÖBB night train, please refer to the generally applicable international conditions of carriage and fare conditions SCIC-NT and GCC-CIV/PRR which can be found at <https://www.oebb.at/tarife> (international rates).

A.2.1.1.3. Our Conditions of Carriage and Terms of Use for tickets in accordance with Section B. [→ 22] also apply to buses identified as rail replacement services. These buses replace our planned train services if these are unable to run, e.g. due to construction work or service interruptions.

A.2.1.1.4. The provisions of this handbook also apply to trips with Deutsche Bahn with a connection ticket as per Section B.1.3. [→ 25], used for pre- and post-carriage to our ÖBB night trains. Please note that the transport is provided by Deutsche Bahn as the performing carrier.

A.3. Travelling on our trains

A.3.1. Tickets

A.3.1.1. Contract of carriage

A.3.1.1.1. In order to travel on trains operated by ÖBB, you need a valid ticket. This is the proof of your contract of carriage with us, and the basis of your rights and obligations before, during and after your journey. Please check immediately after purchase that the ticket corresponds to your travel requirements.

- A.3.1.1.2. The contract of carriage is concluded in one of the following situations:
- Your ticket is handed over or sent to you
 - You click on “Complete ticket purchase” on tickets.oebb.at or within the ÖBB app.
 - You buy your ticket from one of our sales partners

If you book your trip via tickets.oebb.at or the ÖBB app, you must ensure that you receive your ticket prior to departure in one of the following forms:

- PDF ticket to print yourself
- Mobile phone ticket for display on your smartphone within the ÖBB App
- Ticket pick-up at an ÖBB ticket machine or an ÖBB ticket counter

- A.3.1.1.3. If you purchased your ticket from ÖBB on a timetable basis and the departure and arrival times of your chosen train change, we will inform you about the changes via all the information channels available to us. We recommend that you check the departure time printed on the ticket on oebb.at before starting your journey.

A.3.1.2. Tickets for night trains

- A.3.1.2.1. Please note that reservations are mandatory on our night trains and that the ticket, including the reservation, must be purchased prior to the departure of the train. Please remain only in the compartment for which you have a reservation.

- A.3.1.2.2. On our night trains, you can also buy your ticket from our staff on the train in exceptional cases. To do this, please contact one of our staff prior to the train’s departure and tell them that you need a ticket. Otherwise, you will be travelling without a valid ticket. The employee will tell you whether there are free seats available. Please note that you pay the on-board price when purchasing the ticket on the train. This consists of the fare and a service fee, as specified in Section E.1.1. [→ 32].

- A.3.1.2.3. If you cannot present a valid ticket to our staff during inspection, we can exclude you from continuing your journey. The obligation to pay the penalty fare as per Section A.3.3.2. [→ 11] remains unaffected thereby.

- A.3.1.2.4. Train journeys at night with the ÖBB Nightjet or the EuroNight, where the timetable is not yet fixed at the time of booking, will be marked accordingly in the timetable. You buy tickets for these train journeys by providing us with your e-mail address at the time of purchase so that we can inform you of the current timetable no later than 21 days prior to the train’s departure. If the schedule deviates from the original schedule by more than 60 minutes, you have the possibility to cancel all tickets without any fees, up to 15 days prior to the train’s departure. This also applies to tickets that otherwise cannot be cancelled. Please note that in this case, the rule applies that a ticket downloaded as PDF cannot be cancelled.

A.3.1.3. Tickets linked to specific trains

- A.3.1.3.1. Tickets linked to specific trains are only valid on the trains for which they were purchased. You can only travel on the trains indicated on the ticket. The ticket is not valid on any other train. The restriction of the validity to certain trains can be found in the Terms of Use for the tickets in Section B. [→ 22].

- A.3.1.3.2. We cancel the limitation to a certain train if the use of the original train is not possible because:
- The train was cancelled or
 - You miss your connecting train due to a delay.

Our train attendants will confirm the cancellation of the limitation to a certain train. In this case, you can travel with any other ÖBB night train that can take you to your destination.

A.3.1.4. Ticket inspections

- A.3.1.4.1. Please keep your ticket safe – it may also be checked any time after your journey, until you have left the platform access.
- A.3.1.4.2. During a ticket inspection, you show your ticket and, upon request, also your proof of identity or your discount card to our staff. Our employees will also show their employee ID card upon request. If you do not meet this obligation, we will charge a fee as per Section E.1.3. [→ 32].
- A.3.1.4.3. In order to prevent fraud, we randomly collect tickets to verify their authenticity. If you are ever subject to such a collection of your ticket, we will issue you with a replacement ticket, which is then your valid ticket and also serves as a confirmation of collection. If you are travelling with an invalid ticket as per Section A.3.3.1.1. [→ 10], we will also collect it. In this case, you are considered a passenger without a valid ticket and will be subject to a penalty fare.
- A.3.1.4.4. You can obtain the prices for our tickets from our price table, our electronic sales systems, ÖBB ticket counters, our customer service at +43-5-1717-3 or our sales partners.
- A.3.1.4.5. Please keep your ticket safe. In the event of a loss, we can only replace tickets purchased from ÖBB and issued in your name at an ÖBB ticket counter. Unfortunately, we cannot replace tickets issued by sales partners or other railway operators, even if you have an invoice for them.

A.3.2. Commencement of your journey

- A.3.2.1.1. Please occupy your seat no later than 15 minutes after the train has departed from your departure station. Otherwise, your claim to the booked seat expires.
- A.3.2.1.2. Designated ladies' compartments may only be used by female passengers. Children under 6 years of age can travel in the ladies' compartment regardless of their gender. From 6 years on, only girls are allowed in the ladies' compartment. The use of ladies' compartments by male passengers over the age of 7 is not permitted, even with the consent of the female passengers inside.
- A.3.2.1.3. We can assign you a place other than the one you have booked, if this is necessary. This will be a seat in the same comfort category, unless this is not possible, e.g. due to technical problems or lack of availability. If we assign you a seat in a lower comfort category, we will refund the difference to the price of your booked comfort category.

A.3.3. Passengers without a valid ticket

A.3.3.1. When is your ticket invalid?

- A.3.3.1.1. Your ticket is invalid if
- the use does not comply with the fare conditions as per Section B. [→ 22], especially if the validity period of your ticket has already expired,
 - the content was changed, e.g. change of date or photo, or
 - it cannot be checked for validity due to its condition.
- A.3.3.1.2. Your ticket is also invalid if
- your ticket has not yet reached its validity period,
 - a discount card is required, which is not presented or is invalid, or

- your ticket is only valid in connection with an ID card, which is not presented or is invalid.

A.3.3.2. Penalty fare (increased fare)

- A.3.3.2.1. If you travel with us but cannot present a valid ticket, you will be subject to a penalty fare, as specified in Section E.1.2. [→ 32]. You will then receive a receipt in the amount of the penalty fare from our staff. With this receipt, you can continue to the next stop.
- A.3.3.2.2. You can pay the penalty fare either immediately on the train to our employees or at a later point in time. In this case, you need to present your photo identification card including proof of age to our employee. They will then record your data and address.
- A.3.3.2.3. All information required for the payment of the penalty fare can be found on the receipt. Here, you will also find the contact data for the person you can contact in writing if you want to object to the penalty fare.
- A.3.3.2.4. Please contact us within 14 days with a justified objection to the penalty fare or transfer the due amount. If we receive neither an objection nor the payment from you within this period, we will send you a reminder. This effort will result in additional costs for you as specified in Section E.1.6. [→ 32], which you will need to pay, as well. After this, you have another 4 weeks to file a justified objection against the penalty fare or to transfer the due amount. If you do not respond to our reminder within 4 weeks, we will forward our outstanding receivables to a debt collection agency.
- A.3.3.2.5. If you do not provide your personal data and address or refuse to accept the receipt, we can expel you from the train.

A.3.3.3. Children and adults under the age of 18 without a valid ticket

- A.3.3.3.1. We do not issue a penalty fare if children and adults under the age of 18 without a valid ticket present a proof of age. In this case, they purchase a ticket with a service fee on the train, as specified in Section E.1.1. [→ 32].
- A.3.3.3.2. If no proof of age can be provided or the ticket cannot be paid immediately, we will issue a claim for a penalty fare. In this case, however, the proof of age can still be submitted within 13 days. After this, we reduce the original penalty fare to the price of a comfort ticket for children or adults under the age of 18, as well as a processing fee as per Section E.1.4. [→ 32].

A.3.3.4. Passengers without a personalised ticket

- A.3.3.4.1. If you have forgotten a ticket issued in your name or cannot present it during a ticket inspection on the train for other reasons, you have the option of purchasing a comfort ticket without discounts as per Section A.3.1.2.2. [→ 9] from our employees on our night trains. Our staff will then note your name, the type and number of your photo ID with proof of age and your birthday on this ticket.
- A.3.3.4.2. With a copy of your original ticket issued in your name, you can submit the ticket purchased on the train for a refund up to 6 months after its last day of validity. If the area and period of validity of both tickets are the same, you will be refunded the price for the ticket purchased on the train after deduction of the processing fee specified in Section E.1.5. [→ 32].
- A.3.3.4.3. If you cannot purchase a ticket on the train, we will charge a penalty fare as per Section A.3.3.2. [→ 11]. On the receipt, we will note that you were not able to present a ticket issued in your name. If you then send a copy of the forgotten ticket to the address on the receipt within 13 days, we will reduce the penalty fare to the amount of the processing fee as per Section E.1.5. [→ 32].

A.3.3.5. Passengers without a Vorteilscard

- A.3.3.5.1. ÖBB issues certain tickets which are only valid together with a Vorteilscard as per Section C.5. [→ 29].
- A.3.3.5.2. If you have forgotten your Vorteilscard or cannot present it during a ticket inspection on the train for other reasons, you have the option of purchasing a comfort ticket without discounts as per Section A.3.1.2.2. [→ 9] from our employees on night trains. Our staff will then note your name, the type and number of your photo ID with proof of age and your birthday on this ticket.
- A.3.3.5.3. You can submit this ticket together with a copy of your Vorteilscard to us to claim a refund up to 6 months after the last day of validity of your ticket. You will then be refunded the costs for the additional ticket after deduction of the processing fee specified in Section E.1.5. [→ 32].
- A.3.3.5.4. If you do not purchase a ticket on the train, we will charge a penalty fare as per Section A.3.3.2. [→ 11]. On this, we will note that you were unable to present your Vorteilscard or proof of entitlement. If you then send a copy of your Vorteilscard or your proof of entitlement to the address on the receipt within 13 days, we will reduce the penalty fare to the amount of the processing fee as per Section E.1.5. [→ 32].

A.3.3.6. Passengers without a photo identification card

- A.3.3.6.1. If you have forgotten the photo ID with proof of age to go along with your Vorteilscard or cannot present it during a ticket inspection on the train for other reasons, you have the option of purchasing a comfort ticket without discounts as per Section A.3.1.2.2. [→ 9] from our employees on night trains. Our staff will then note your name, the type and number of your photo ID with proof of age and your birthday on this ticket.
- A.3.3.6.2. If you do not purchase a ticket on the train, we will charge a penalty fare as per Section A.3.3.2. [→ 11].
- A.3.3.6.3. Since we cannot determine your identity at any time, we will not be able to refund your payments made as per Section A.3.3.6.1. [→ 12] and A.3.3.6.2. [→ 12].

A.3.4. Travelling infants and children

- A.3.4.1.1. Infants travel free of charge and without tickets on our trains if they do not need a separate seat.
- A.3.4.1.2. As the trip takes place overnight, children and infants can only travel on our night trains if accompanied by an adult, as specified in Section A.1.3.1.1. [→ 8], for reasons of safety and order.
- A.3.4.1.3. One infant can share the place of the accompanying person on night trains.

A.5.2.1.4. Based on a case-by-case examination, ÖBB can reimburse higher costs if there are substantial reasons. A substantial reason would be, for example, if it is impossible for passengers with limited mobility and their companions to continue their journey on the same day.

A.5.3. Reimbursement in the event of a train cancellation or a delay

A.5.3.1.1. If it can be reasonably assumed that you will reach your destination station more than 60 minutes late or not at all, you can choose:

- Either we will refund the fare for the route you will no longer be travelling free of charge. If the journey you have already made has become pointless with regard to your overall travel plans, we will also refund you the fare for the journey you have already made free of charge, as well as the return journey to your point of departure on one of our trains or trains operated by another railway company. If you travel with another railway company, your ÖBB ticket will not be accepted. For this trip, please buy a 2nd class ticket for the fastest possible route. We will refund the fare of the ticket you purchased, subject to the provisions of Section A.5.4. [-> 19].
- Or you can continue your journey on our trains with your existing ticket at the next opportunity or at a later point in time at no additional cost, if necessary following a different route. You can also continue your journey on trains operated by a different railway

company. They will, however, not accept your ÖBB ticket. For this trip, please buy a 2nd class ticket for the fastest possible route. We will refund the fare of the ticket you purchased, subject to the provisions of Section A.5.4. [→ 19].

 - available timetable information and traveller information media, in particular the timetable information system available online at oebb.at.

A.5.3.1.3. If you choose to continue your journey with one of our trains at the next opportunity or at a later point in time or return to your original point of departure, we will alter the ticket: for a different comfort category, another ÖBB train, a longer period of validity or a new route.
